

A life worth living:

The victorious life

John 12:27-36

If Christianity were true,
wouldn't it be more impressive....?

1. The supreme display of God's glory is the cross (v27-30)

2. because the cross wins the decisive victory (v31-33)

The world's verdict on Jesus
is its own judgment

Satan's victory
is his decisive defeat

Jesus' failure
is his supreme triumph

3. So recognise true glory where it can be found (v34-36)
